Identity of Revolution

Bharat Rattan Dr. Bhimrao Ramji Ambedkar, The Great Economist, Educationist, Politician, Champion Of Human Rights and Emancipator of Millions of un-touchable downtrodden whom he taught to hold their heads high & live like a lion.

AWARENESS AND EMPOWERMENT OF DOWNTRODDEN

Babasaheb Dr. B.R. Ambedkar used to lay emphasis on creating awareness among the socially excluded sections of the society, then addressed as Depressed Classes, for facilitating them to get rid of their subjugation and abject slavery from the dominating oppressive Brahminical social order. Tell the slave about his slavery, to borrow from the teachings of Dr. Ambedkar; the slave will revolt against it. Social awareness about one's rights is the first step towards empowerment of the socially excluded sections of the society. To quote Dr. Ambedkar farther, "For a successful revolution it is not enough that there is discontent. What is required is a profound and thorough conviction of the justice, necessity and importance of political and social rights". Until and unless the deprived sections of the society are convinced of the importance of their strength and the relevance of their rights for their dignity, it is not possible to bring them into the mainstream public realm for the gain of equal opportunities. According to Dr. Ambedkar, "Lost rights are never regained by begging and by appeals to the conscience of the usurpers, but by the relentless struggle. Goats are used for sacrificial offerings and not lions". He further exhorted his people that "We must stand on our own feet and fight as best as we can for our rights. So carry on your agitation and organize your forces. Power and prestige will come to you through struggle".

The regular celebrations all over the world of the Jayantis of Thatagath Buddha, Bhagwan Balmik, Guru Ravidass, Mahatma Joytirao Phule Dr. Ambedkar, Babu Mangu Ram Mugowalia, Sahib Kanshi Ram and other great persons and heroes of downtrodden is a clear indication of the rising level of social awareness among them about their long due rights, struggle for the betterment of their lot and their gratitude towards their saviors. March 15, April 14, January 14 are some of the most important days in the life of the people belonging to the lowest rung of the society in India which remind them rather valiantly about the struggle they have to keep continuing for the upliftment of their society. In the words of Dr. B. R. Ambedkar, "My final words of advice to you are educate, agitate and organize; have faith in yourself. With justice on our side I do not see how we can lose our battle. The battle to me is a matter of joy. The battle is in the fullest sense spiritual. There is nothing material or social in it. For ours is a battle not for wealth or for power. It is battle for freedom. It is the battle of reclamation of human personality".

In the battle for freedom, as guided by Dr. Ambedkar, the most crucial step is right kind of awareness. Such awareness requires continuous struggle for the realization of the long denied rights to the community of downtrodden people. Only that kind of awareness which comes through constant struggle will help break through the oppressive structures of unjust social order and usher in genuine freedom where no one need to worry about food, shelter, fear and any kind of restrictions as envisioned by Guru Ravidass in his Bagumpura Shaher.

United Awareness Committee Of Ravidassia Community, California (USA)

We, United Awareness Committee, of the State of California are pleased to announce that the Ravidassia Community of California will be holding a Community Awareness Event on Sunday, May 12, 2013 at the State Capitol in Sacramento, California. The program hours are from 11:00 AM to 5:00 PM. The chief aim of this event is to inform and create awareness of the opportunities available to the community and serve as a networking event with the attendance of many successful individuals.

The members of Ravidassia Community are the followers of Sri Guru Ravidass Ji, who advised and adopted democratic strategies to resolve the social inequalities prevalent in the society and preached for equality, universal brotherhood, oneness of God, and faced the contemporary kingdoms for natural and legal human rights for disadvantaged classes.

Consistent with His teachings, our goal is to create awareness of ethical social aspects in our succeeding generation and help make them responsible citizens of this great nation on the planet.

In political environments, the teach-

ings of Guru Ravidass Ji can be weighed against various Civil Rights Acts, or recognized with a modern name like Affirmative Action, EEO policies, and FEHA etc. And in this ongoing evolution of socio-economic and globalization environment, His teachings are quite compatible with the First Amendment of the United States Bill of Rights.

On this auspicious occasion, many high officials and high dignitaries are invited from all over California to attend this unity and awareness event. Therefore, United Awareness Committee would like to invite you to join in this approaching commemoration. We would feel honored and privileged to have you join us in this celebration.

If you have any questions or need any additional information, please call any member listed below. Thank you.

Sincerely,
United Awareness Committee, California Organizers:

DR. AMBEDKAR'S 122ND BIRTH ANNIVERSARY CELEBRATION

Dear Friends,
Hearty Jai Bhim wishes to you all on 122nd Babasaheb Dr. B. R. Ambedkar Birth Anniversary! Once someone asked Babasaheb Dr. B.R. Ambedkar what is your message to your people, people who have no access to Education, Oppressed, Poor, Starving and Suffering from poverty and what not! Babasaheb said, my life is my Message for my People! What did he mean by it! I feel, he tried to leave his life as a lesson for US ALL! There is lot to learn from Babasaheb, his determination, his sufferings, his sacrifices, his education, his dedication, his commitment, his undying spirit and never say die attitude etc!

Babasaheb had to bury 4 of his children at very young age because he could not provide them Medicines. He lost his wife also because he could not provide decent medicines. And friends he could not provide medicines for them because he was busy fighting for us. Busy fighting for our moms, our dads and our children! We are here be-

cause he and many of our mahapurushas gave up their very family & everything to see us all here. Let us take inspiration from him and thousands of our brethren who believed in him who gave up their lives to give us this future we are enjoying. Let us pledge to Payback to the Society in whatever tiny, mini way we can! Please ACT!

We feel as Babasaheb's followers, it is our minimum courtesy & duty to give our 10% of time, talent and treasure to take his caravan forward. We owe it to thousands & crores of villagers/ancestors who sacrificed their lives for us. Let us look that single reason which compels us to be together and forget those thousand things that may divide us. So help us celebrate this great man's life on April 27, 2013 from 6pm-11pm at Holiday Inn Express 9175 W. Stockton Blvd, Elk Grove, CA 95758 Phone: (916) 478-9000. In politics we will have equality and in social and economic life we will have inequality & we must remove this contradiction at the earliest possible moment or else those who suffer inequality will blow up the structure of political democracy which this Assembly has so laboriously built up”. -*Dr. Ambedkar*

Freedom of mind is the real freedom. A person, whose mind is not free though he may not be in chains, is a slave, not a free man. One, whose mind is not free, though he may not be in prison, is a prisoner and not a free man. One whose mind is not free though alive, is no better than dead. Freedom of mind is the proof of one's existence. ---- Dr. Ambedkar.
